Our Mission

Our church-school Home School Program (HSP) serves motivated home school parents in their God-ordained role to teach and train their children in the way they should go (Deut. 6:4-7, Eph. 6:4). Our home school program operates as a ministry of Northgate Community Church / Living Grace Christian School (LGCS) under the pastoral leadership of Dr. Daniel Switzer. The program is served by a reviewer who provides an annual review and personal support as needed for families in the program.
